

To All Coaches:

Thank you so much for attending the Desert Showdown Cheer and Dance Championship on December 5th at the Phoenix Convention Center. Please know that we appreciate your support and attendance in making this event so successful.

Attached you will find the results from the event. Reminder to you that if your team placed in the top five in any division they have qualified for the US Finals Championships which are held in six different venues across the country where you can compete to see how you rank against the best teams.

To those of you in the last awards session that did not receive your banner we wanted to let you know that they should be delivered soon. We had a tremendous amount of last minute registrations and we appreciate your understanding with this issue.

As you all know we used the jam brands universal judging system which is brand new this year. With a new judging system there can be challenges along the way and we appreciate your patience. Our judging panel was well represented from across the country from Atlanta to California. Although for many of them it was their first time to use this new system they were very consistent across the board.

We would love and appreciate any feedback that you would like to share with us. We are always striving to make our events better each year. Once again, thank you for your support of our event and we hope to see you February 20th, 2010 for our Spring Desert Showdown Championship.

God bless,

Jason Mitchell
